

# Learn more about Pandora's Cluster

SENSING  
DEEP SPACE  
PANDORA'S CLUSTER

Welcome to the captivating world of space exploration! At the forefront is Pandora's Cluster, or Abell 2744, a stunning assembly of galaxies millions of light-years away. Join us on an immersive journey into the intricacies of this celestial wonder and the realm of space telescopes.

Here are some resources and activities that you can do at home or in the classroom to learn more about Pandora's Cluster and the blend of art and science:

## Activities

Grade School Level

High School Level

Middle School Level

Middle School Level

High School Level

## Resources

### Learning Resources:

Discover endless learning possibilities with JWST

Redefine your educational experience with Chandra X-ray Observatory

Explore the boundless realms of space with NASA

Probe the Universe with Pandora's Cluster

### Additional Resources:

Ignite your passion for learning Astronomy-for-beginners

Learn from the organizers of the exhibit with SciArtExchange
